Kaleidoscope Applique / Perma Logo

Perma Logo Table Throws

A high temperature transfer of computer cut vinyl material onto polyester twill fabric. Maximum logo size 45" w x 25" h. Perma logo vinyl features the same lettering used on most professional and amateur sports jerseys and uniforms.

Perma Logo

Kaleidoscope Table Throws

Comprised of several Table Throw choices, these throws can be printed with our brilliant Kaleidoscope Select dye sublimation process.

Two great options:

- Print the entire Table Throw Kaleidoscope featuring photographic images, color gradations or complex images over the entire full or economy throw.
- A full-length front Kaleidoscope piece seamed to any standard color fabric resulting in a full or economy throw.

Kaleidoscope Dye Sublimation Full Front

Kaleidoscope Logo Appliques

Produced by creating a dye sublimation image which is profile cut and permanently adhered to any standard color twill fabric using an industrial fabric adhesive. Kaleidoscope appliques can be combined with Perma Logos.

Kaleidoscope Applique with Perma Logo

Table Throw Runners

Table runners are the low cost alternative. Choose from Perma Logo, Kaleidoscope Logo Applique or full Kaleidoscope dye sublimation options. Table Throw Runners make a great companion to any blank throw.

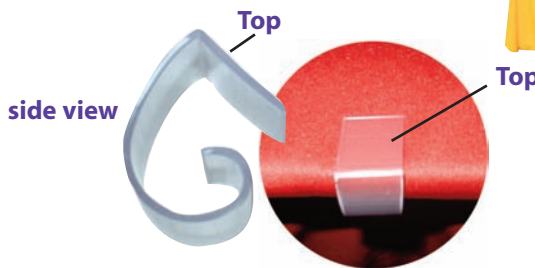

Table Runner

Table Throw Bags

Table Throw Bags

Constructed of durable black canvas, these bags are great for transporting any throw. Table Throw bags can be customized with a corporate Perma logo or applique.

Throw Clip

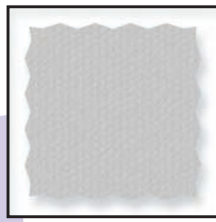

Great for securing your throw when used outdoors especially in wind, and keeps economy throws in place, prevents slipping. Need to keep that throw in place? Add Throw clips to your next table throw order!

NOTE: The clip requires 3" of space, under the table.

WASHING INSTRUCTIONS: **MACHINE WASH 160°F** - Use synthetic detergents. Do not use soap, bleach or softeners which might adversely affect the flame retardant qualities of the fabric. **TUMBLE DRY 140°F** - Remove immediately. **100% POLYESTER** - Excessive heat, loading and leaving too long in extractor or dryer will detract from permanent press characteristics of all polyester fabrics. **IRONING** - if above instructions are followed, no ironing required. If necessary, light touch up with hand iron at 250°F setting, **DO NOT MANGLE**.

These color swatches above are closely calibrated to the actual vinyl colors. Slight color variations may occur.

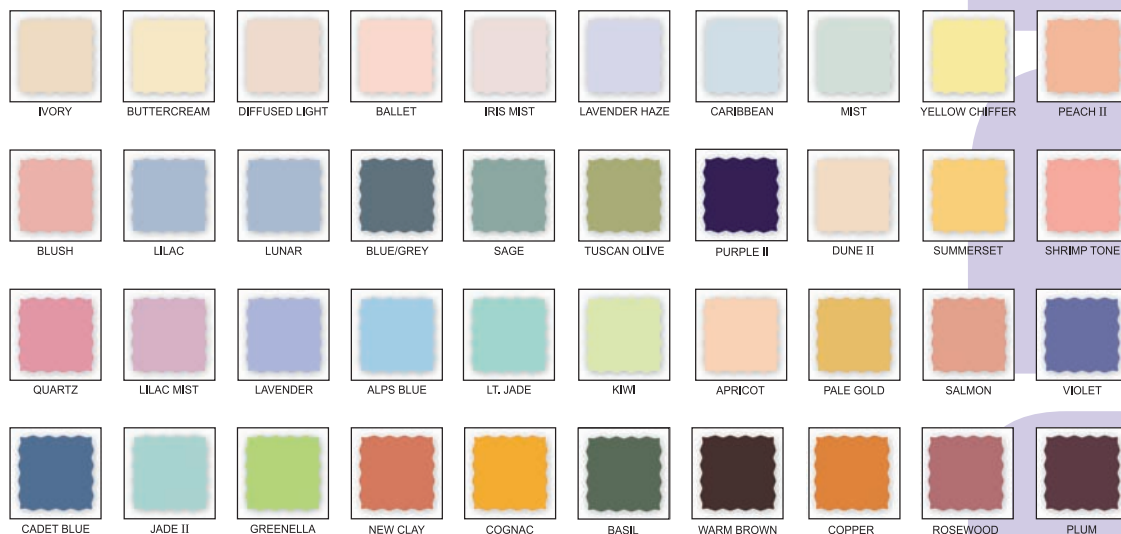

TABLE THROW FABRIC COLOR COLLECTION

Passes NFPA 701 Small Scale & California Section 13115
and Fire Resistance Standards
